Announcement # 21-85

Date: 10/28/2021

Topic: Freddie Mac Refi Possible – Release Date Update

In Bulletin 2021-17, Freddie Mac introduced the Refi Possible mortgage offering as a new “no-cash out” refinance option for low-income borrowers.

PennyMac is working towards providing this new refinance option however, a program release date is not available at this time.

An announcement with all program details will be issued once a release date has been determined.

Please contact your Sales Representative with any questions.
