

Announcement # 22-23

Date: March 25, 2022

Suspension of Tax Transcript Requirements

Due to IRS delays, effective immediately, Pennymac is *temporarily* suspending the existing Pennymac Tax Transcript requirements.

A new announcement will be issued when the requirements are reinstated.

Note: USDA transactions require Tax Transcripts and Correspondents remain responsible for complying with all USDA requirements.

In addition, there are *no changes* to the current guideline requirements for a signed 4506-C.

Please contact your Sales Representative with any questions.
