USDA Rural Development: 2024 Income Limits Update

On July 12, 2024, USDA issued Procedure Notice 618 announcing the new 2024 income limits for the Single-Family Housing Guaranteed Loan Program under section 502.

The new 2024 income limits are effective for new submissions or re-submissions to the Guaranteed Underwriting System (GUS) on or after July 12, 2024 and apply to existing pipeline and new applications for manually underwritten and non-GUS transactions. Pennymac is aligning with this change.

Please refer to USDA Procedure Notice 618, Appendix 5 of the HB-1-3555, and the updated "Income Eligibility" and "Income Limits" tools on the USDA Income and Property Eligibility Site for additional information and complete requirements.
