Join Pennymac's Non-QM webinar, Mastering Non-QM Exception Requests, on October 6th to learn how to navigate the exception lifecycle like a pro.

Gain Insights on:

- **Identifying the Need for an Exception:** Learn when a file requires a guideline exception and how to spot these scenarios early in the process
- **Building the Narrative:** How to craft a strong borrower story and present compelling compensating factors
- **The Exception Submission Blueprint:** Step-by-step instructions on submitting a clean, well-documented exception request to your Pennymac AE
- **Common Pitfalls to Avoid:** Learn the most common reasons exception requests get delayed and how to ensure your file is review-ready the first time
