## Loan Purpose

- Purchase
- Limited Cash-Out/Rate & Term Refinance
  - Includes Simple Refinances meeting FHA requirements
  - Proceeds can be used to pay off an FHA or non-FHA first mortgage regardless of age
  - Proceeds can be used to pay off any junior liens related to the purchase of the subject property, or that are seasoned at least 12 months. Exception: A partial claim may not be paid off with loan proceeds from a FHA Rate & Term Refinance and must be paid from a borrower's own funds. A partial claim may only be paid off using loan proceeds when it's a cash-out transaction.
  - Pay related closing costs and prepaid items
  - Disburse cash out to the borrower in an amount not to exceed \$500
- Cash-Out
  - The property securing the cash-out refinance must have been owned and occupied by at least one borrower as their Principal Residence for the 12 months prior to the date of case number assignment. Exception:
    - In the case of inheritance, a borrower is not required to occupy the property for a minimum period of time before applying for a cash-out refinance, provided the borrower has not treated the subject property as an Investment Property at any point since inheritance of the property.
    - If the borrower rents the property following inheritance, the borrower is not eligible for cash-out refinance until the borrower has occupied the property as a Principal Residence for at least 12 months.
  - Borrower must be 0x30x12 on the subject mortgage history
  - Non-occupant co-borrowers may not be added in a cash out refinance transaction in order to meet FHA's credit underwriting guidelines for the mortgage. Any co-borrower or co-signer being added to the note must be an occupant of the property.
  - Income from a non-occupant co-borrower may not be used to qualify for a cash-out refinance.
  - **Non-Del only:** Borrowers may not have multiple cash-out transactions within the prior 12 months on the same property. Closing Disclosures (CDs), or other supporting documentation, from all subject property refinances in the prior 12 months are required to confirm the previous transactions were no cash-out. The subject cash-out transaction is excluded if the borrower is receiving no cash in hand, or is receiving less than the incidental limit allowed by the Agency. Loans with LTV/CLTVs of 75% or less are excluded from this requirement.
  - Notes:
    - Removing or adding borrowers will not make the transaction eligible.
    - When a HELOC is paid through closing, the current transaction is only considered cash out for this requirement if there were any draws in the last 12 months.
    - Loan may be defined as cash-out by the Agency and be excluded from this requirement.
  - To meet Ginnie Mae seasoning requirements: the borrower must have made at least six consecutive payments on the loan being paid off and the first payment due date of the new loan must be at least 210 days after the first payment due date of the refinanced loan.
  - To meet Ginnie Mae seasoning on modified loans:
    - The borrower has made at least six consecutive monthly payments on the modified loan being refinanced, beginning with the payment made on the first payment due date as of the modification date.
    - The first payment due date of the new loan may not occur earlier than 210 days after the first payment due date of the modified loan paid off through the transaction.
